We are ready for events

2022 EVENT PLANNING

1. Ideas are welcome
2. We can learn from Seva Selfless and we will be donating to that organization as we love their selfless work
3. Idea: Go to underserved area schools, get ready to cash vouchers to donate students for supplies, shoes, clothings
4. Idea: Help individual single parent at work, in community, etc or Help group such as underserved area school
5. We can divide and plan events, we can have volunteers. We all don't have to be present

CURRENT BALANCE

Our current balance is above \$10k

Lets do events

UPCOMING MEGA EVENT

Planning on having Stockton Sikh Parade Event

Lets plan on making our T-shirts-need volunteer to take this project

Lets plan on creating awareness at the event about Sikhism. Pick one area that we should create awareness.

Lets also plan on creating women safety awareness, and making sure people are aware of what happened in India recently. I am not sure if petition will help.

LETS ADVERTISE ONCE WE LOCK OUR EVENT

Navjot can plan on advertising our events on facebook, put pics on Instagram, and put message on twitter
